

Workshop A- Education: Summary of results:

- 1st step: **E-platform** on
 - existing summer schools (including teaching materials developed)+ existing double degree programs (with whom, which topics..)
 - Expertise grouped by subject area
 - Forum with ideas for co-operation: e.g. joint masters, students look for supervisors, teaching staff informs about courses offered that are open to CASEE members
 - Topics for such a platform: Agricultural economics (Prof. Erjavec), Water conservation (Prof. Romic) + all other topics covered in today's presentations, Global change; Horizontal skills (management, language, IPR, entrepreneurship)....etc., open list
 - Contact persons in charge: BOKU (e-learning: DI Claus Michalek (claus.michalek@boku.ac.at) + ZIB, Dr. Margarita Calderón-Peter (margarita.calderon-peter@boku.ac.at)

- 2nd idea: **Network of Lifelong-Learning Centers** of the different CASEE members (offices exist in HU, CZ, SK, PL, BG CASEE Members);
 - professional training / continuing education e.g. on EU legislation;
 - question of recognition of non-formal learning-> GRUNDTVIG project? CEEPUS? Jean Monnet?
- **Contact persons:**BOKU, Dr. Christof (Eveline.christof@boku.ac.at) + Mag. Paulus (Christina.paulus@boku.ac.at)

- **3rd step: curricula development:**
ERASMUS /ERASMUS MUNDUS / TEMPUS/ VISEGRAD: curricula development with exchange of Master / PhD students (e.g. 3 universities with a joint programme) including short courses / summer schools
 - **Contact persons:**VR Lacko-Bartosova, Nitra (Magdalena.lacko-bartosova@uniag.sk); Prof. Yancheva (BG) (Christina@au-plovdiv.bg)- Potential topics:
organic farming, biotechnology,economy, agrotourism, agricultural economics, agro-ecology, animal and plant sciences, food quality, food safety, wood technology
