Respected prof. Gerzabek,

We are pleased to inform you that we are organizing the 54<sup>th</sup> Croatian & 14<sup>th</sup> International Symposium on Agriculture. The Symposium is organized by the University of Zagreb Faculty of Agriculture and University "J. J. Strossmayer" of Osijek Faculty of Agriculture, which alternate in the organization of the Symposium every two years.

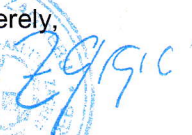

The Symposium will take place from February 17 – 22, 2019 in Vodice, Croatia.

As being an active partner in CASEE network and knowing its importance we would like to broaden our cooperation by supporting Symposium of Agriculture. We would be very honoured if a CASEE would be a co-organizer of the Symposium.

Also, please nominate a member of your institution/association to the Scientific Board of the Symposium. The President of your Association will become a member of the Symposium Organizing Committee.

We would appreciate your reply by May 30, 2018 via e-mail address [sa@agr.hr](mailto:sa@agr.hr).

Thank you for considering this request and looking forward to your reply.

Sincerely,  
  
Professor Zoran Grgić, PhD  
Dean
