

## Call for abstracts of papers for the 15<sup>th</sup> CASEE Conference

*"Green Transitions in Agriculture, Forestry, Veterinary Medicine and Food Systems under a Changing Climate"*

25 – 27 June, 2025  
University of Novi Sad, Faculty of Agriculture, Serbia

The CASEE Board and the **Faculty of Agriculture, University of Novi Sad, Serbia**, warmly invite and highly encourage all staff members and PhD students from CASEE universities to submit an abstract for an oral/poster presentation for the 15<sup>th</sup> CASEE Conference held under the main theme "Green Transitions in Agriculture, Forestry, Veterinary Medicine and Food Systems under a Changing Climate".

The abstracts are to be submitted into these subtopics:

- I. Sustainable land use: innovative agriculture, landscape planning and forestry
- II. Unlocking potential of (bio)renewable resources
- III. Future-ready food systems: safety, sustainability and quality
- IV. Fostering environmental safety and resilience through climate adaptation
- V. Frontiers in animal science and veterinary medicine
- VI. Bridging agroecology and bioeconomy

All staff members from CASEE universities and colleagues from other research institutions in CASEE countries are invited to submit an abstract by **15<sup>th</sup> February 2025**.

### Submit your abstracts via this online form.

By attending the conference, presenting abstracts or posters, and receiving reviews, authors can gain constructive feedback on their work. This feedback can be helpful in preparing full papers based on the presented abstracts or posters to the journal *Contemporary Agriculture*. The submission of full papers is independent of the conference. This means that submitting to the journal is optional and not directly tied to conference participation. Authors interested in submitting their papers to *Contemporary Agriculture* can find guidelines on the journal's homepage provided in the link.

#### **Contemporary Agriculture**

Instructions for authors can be found at the journal homepage:

<https://www.contagri.info/for-authors>

Although the review of the submitted papers is not in the hands of the conference organisers or CASEE board but depends on the rules of the journals, participation in the CASEE conference significantly increases the chances for a positive results of the review process due to the fact that the ideas were discussed before the submission.

## Special information for PhD students

PhD students from CASEE universities are specially invited to submit an abstract for a poster or oral presentation in one of the subtopics of the conference. The conference is a great opportunity to discuss their research findings in an international community because it provides international feedback. The deadline for the submission of the abstracts is **15<sup>th</sup> February 2025**.

**\*\*\*Up to 5 PhD students** with the best abstract will be exempted from the conference fee.\*\*\*
